

CONSTRUCTION PASS

TRUST HOME BUILDERS
Construction Site Safety Disclosure & Acknowledgment

Project Address: _____
Date of Site Visit: _____

At Trust Home Builders, we are committed to maintaining the highest safety standards on all of our active construction sites. It is both our honor and responsibility to protect your safety while you preview one of our homes under construction.

Please carefully review the following safety guidelines and site requirements. By signing this form, you acknowledge and agree to the conditions outlined below for visiting an active construction site.

SAFETY REQUIREMENTS FOR SITE VISITORS:

- Personal Protective Equipment (PPE):
- All visitors must wear closed-toe shoes at all times.
- Hard hats must be worn during the visit (provided on-site, if needed).
- Supervised Access: All visitors must be accompanied by a Trust Home Builders representative at all times during the site visit.
- Restricted Access: Children under the age of 12 are not permitted on active construction sites.
- Limited or Prohibited Access: During certain stages of construction, site may be inaccessible due to open trenches, scaffolding, roof materials, or other construction-related hazards. Access may be restricted at the discretion of the site supervisor for your safety.
- Hazards & Awareness: Construction sites contain inherent risks including uneven surfaces, sharp tools, electrical wiring, debris, noise, and other potential hazards.

Visitors are expected to exercise caution and follow all instructions provided by the site representative.

By signing below, I acknowledge that I have read, understand, and agree to follow all safety protocols outlined above during my visit to the construction site. I release Trust Home Builders and its affiliates from liability for any injury or incident resulting from failure to follow these guidelines.
